

# Theodosios Kalamatianos BSc MSc PhD

## Personal Data

Contact Email: tkalamatian@med.uoa.gr

## UNIVERSITY EDUCATION

- **Bachelor of Science (B.Sc)** Clinical Biochemistry. Royal Holloway, University of London, London U.K (1994, 2:1 honours)
- **Master of Science (M.Sc.)** Neurological Science. University College London, London U.K (1995). MSc Thesis title: “*Distribution of expression of a novel peripheral neuron specific villin-like protein*”. Supervisor: Professor J. N. Wood.
- **Doctor of Philosophy (Ph.D.)** Neuroscience. King’s College London, London U.K (2004). PhD Thesis Title: “*Peptide and peptide receptor gene expression in the diencephalon of rats and mice: neuroanatomical insights into circadian processes*”. Supervisor: Professor C. W. Coen

## UNIVERSITY POSITIONS

- **2002-2003: Research Assistant.** Biomedical and Health Sciences. King’s College London, London U.K
- **2004-2009: Post-doctoral Research Associate.** Biomedical and Health Sciences. King’s College London, London U.K
- **2012-2018: Post-doctoral Research Associate,** Department of Neurosurgery, Medical School, National and Kapodistrian University of Athens, Greece
- **2019-: Adjunct Faculty (Academic Fellow), Researcher** Department of Neurosurgery, Medical School, National and Kapodistrian University of Athens, Greece

## PUBLICATIONS

- **Pubmed:**  
<https://pubmed.ncbi.nlm.nih.gov/?term=kalamatianos+t+&sort=date&size=50>

## SCIENTIFIC INTERESTS

- Neuroscience, Neurobiology, Neuroanatomy
